

## My Scrumpy Jack

14.2hh (147cm), 14yo dark bay gelding.

Ideal pony club pony/all rounder suitable for a competitive young teenager.

He has been to rallies, area competitions, camps and the Pony Club novice championships (show jumping) and regularly competes at shows and events.

Works well on the flat and achieves a good outline.

Forward going eager jumper who knows his job.

Regularly in the pony club teams and has competed at Gatcombe, Rockingham and Shrewsbury Flower Show as well as other pony club team show jumping events. He is BS registered. This year he qualified for the Cashjumping national finals winning 1 class and being placed in all others entered.

He happily competes at 90cms-1.10cms and schools at 1.20cms.

Travels well and happy to stand in the trailer on his own.

Hacks out alone or in company and is very good in traffic without being fazed by big lorries, buses or tractors.

Good with the vet, to shoe, catch, load and handle. A real gentleman with very good manners. Up to date with vaccines and teeth.

Extremely sad sale due to being outgrown and rider moving onto horses.

Loads of photos available on request.
