August 12, 2016

Dear Bethan,

On behalf of all doctors, paramedics, staff and volunteers at Wales Air Ambulance I would like to thank you for your kind donation of £50.00 gratefully received on Friday 12th September 2016.

It is only through the support we receive from the residents and supporters of Wales that we are able to raise the £6 million per annum needed to keep us in the air. Since we started in 2001 we have developed into a 3 helicopter operation, 365 days a year, capable of being at any incident within an average of 12 minutes thereby "Saving time - Saving lives".

Our EC-135 Air Ambulance helicopters carry the latest lifesaving equipment accompanied by specialised paramedics and critical care consultants who provide cutting edge pre-hospital emergency care, bringing the doctor to the patient. We are also the National Children's Air Ambulance for Wales which means we can treat and transport patients of any age to the most appropriate hospital as quickly as possible.

Over the past few years supporters like you have enabled us to kit out the helicopters and crew with the latest in pre-hospital emergency care such as: video laryngoscopes, EZ-IO drills, baby pods and even blood with products such as fibrinogen and lyoplas to help clotting. We were the first air ambulance service in the UK to bring this to the people it serves so thank you for making all this possible, with your continued support we intend to grow and continue saving lives in Wales.

If you would like to find out more about the work of Wales Air Ambulance or would like us to come and give a talk or presentation to your work, school or social group then please visit our website at www.walesairambulance.com or contact your nearest fundraising office on 0300 0152 999.

Thank you again for supporting Wales Air Ambulance.

Yours Sincerely,

Mark Stevens
Regional Development Manager
